

# Quality and Environment Policy

**OSCACER-César Rola, Lda** considers that the implementation of an integrated **Quality and Environmental Management system in compliance with the requirements of the NP EN ISO 9001 Standard** is fundamental to an image of excellence and rigor of the company. In this regard, we undertake to:

- Ensure resources and means for compliance with environmental prevention measures;
- Implementation of mechanisms to help reduce electricity production (Photovoltaic Panels and LED lamps to reduce consumption);
- Develop ongoing training for all employees;
- Ensure compliance with legal and other requirements that the company subscribes to in relation to environmental aspects;
- Work under the influence of continuous improvement to better meet the needs of partners and employees;
- Promote OSCACER as a reference for innovation and technological advancement.

The Quality Policy and good environmental practices are communicated to all people who belong to the Company and are available to everyone.
